sparkler

for CT families with children, birth-5

What is the Sparkler Mobile App?

How's your child doing?

Learn about services for
CT families.

Be in the know:

Developmental & Social-Emotional Screenings:

ASQ & ASQ-SE (Ages & Stages Questionnaires®). Track your child's development, from your own home, on your own mobile device. Answer a few questions on the Sparkler app, to keep track of your child's development from 2 months to 5 years.

How is your child
doing?

A new questionnaire is
ready for you

Connect: The results of the screenings will be shared with you. If the ASQ's indicate your child may need some support, 211 or your local early childhood resource will reach out to help you.

Play and Learn: Access thousands of fun, developmentally appropriate, off-screen activities to help your child learn through play.
